Thanks Cindy,

I've been out for a couple of days but, to date, I've received no requests from Shaw to extend or delay any TD report due dates.

**Subject:** Organics TDs due dates

Dennis,

Due to an urgent request from Cindy Sonich-Mullin for Pavillion data, Shaw staff have been working to provide the requested data by COB today. This is top priority and will impact due dates on other TD reports which are due today or within the next week including hydraulic fracturing TDs. The due dates on those TDs will need to be extended to accommodate for this delay.

Please let me know if you have any questions.

Cindy
